The Town of Tilton is continuously monitoring the changing situation involving COVID-19. The Land Use Department which includes Code Enforcement, Planning, and Zoning will be complying with the recommendation of the State, NH Municipal Association, and the NH Building Officials Association.

The following changes are in place:

**Code Enforcement**

1. The Town Hall will be closed to the public until April 6th at which time the situation will be reevaluated by the Board of Selectmen.
2. The Code Enforcement Officer will conduct inspections of any occupied buildings on a case by case basis. Exterior inspections will continue, including foundations, garages, decks, porches, and sheds.
   a. Inspection requests for unoccupied buildings may be called in as normal.
   b. For any other inspections, pictures will be accepted. Those pictures must be emailed directly to Al Laplante at Code@tiltonnh.org. Please include the address, type of inspection, and what the picture is showing. If you do not receive a response in a timely manner, please call the office.
3. All building permit applications including Electrical and Plumbing can be found on the Town website (Tiltonnh.org); this includes residential and commercial building permits as well as sign permits. Once completed, they can be scanned and emailed to code@tiltonnh.org or submitted to the drop box located at the Main Street entrance of Town Hall. Payments should be submitted with the application and made payable to the Town of Tilton. All Electrical and Plumbing permits must include a copy of the corresponding license.
4. We will be issuing all permits upon approval. Please be sure to include a telephone number and email address. They will be issued electronically whenever possible.

Please be patient with us as we learn to navigate and adapt to this temporary change. As always, we will be here to answer any questions. Please call the following contact numbers and leave a message and someone will return your call.

- Code Enforcement: 603-286-4521 ext 106
- Land Use: 603-286-4521 ext 105
