Members present: Chuck Mitchell, Kathi Mitchell, Jon Scanlon, Ben Wadleigh, Paul Rushlow, Bob Hardy and Helen Hanks.

Minutes: Jon Scanlon moved, seconded by Kathi Mitchell to accept the minutes of October 21, 2013 as read. Motion passed.

Ernie’s update: Rip Patten of Credere will be presenting an update on the clean up at Ernie’s to the Selectmen on Nov 21. The expense of the cleanup of the additional petroleum infused material will be covered by the town’s insurance and the State petroleum fund. It was agreed that the tables being offered by Tanger Outlets would not be appropriate at either this location or on Salmon Run.

The WRTA trail committee will be meeting with the Selectmen to discuss the updated plans for continuing the river trail from the Maher property to Ernie’s. Although the committee would prefer to locate the trail on the north side of the tracks, the NH Railroad Department requires that the trail stay on the south side until it reaches Knapp Road where it will cross and continue on the north side of the tracks to Ernie’s. The committee will be looking for the Selectmen’s support for this plan.
