Riverfront Parking:
Selectman Dawson explained to Anna Yasharian and James Cropsey of Riverfront Place, the parking availability issues for the Riverfront Park. There was discussion of placing no parking signs, however; it would need to be decided by the Park Commission. Once signs
are posted, enforcement and ticketing could be implemented. There was some discussion about the parking spaces on Main Street, between Park Street back toward Riverfront Place.

It was confirmed Riverfront Park has dedicated parking, and the parking lot is not part of municipal parking.
